31 August, 2021

Dear Dr Ram Mohan Jaiswal

Thank you for the communication regarding your new HLA sequence (submission number HWS10062789).
The WHO Nomenclature Committee for factors of the HLA System has officially named your sequence:

A*01:01:01:92

This information will be included in the next full Nomenclature report and will also be listed in a monthly update on new sequences assigned which will be published in *HLA*, *Human Immunology* and the *International Journal of Immunogenetics*.

In the publication where this sequence first appears, it is suggested a sentence on the nomenclature should be added:

*The name A*01:01:01:92 has been officially assigned by the WHO Nomenclature Committee for Factors of the HLA System in August 2021. This follows the agreed policy that, subject to the conditions stated in the most recent Nomenclature Report (Marsh et al. 2010), names will be assigned to new sequences as they are identified. Lists of such new names will be published in the following WHO Nomenclature Report.*

Sub- Competency Based Undergraduate and Post Graduate Curriculum for BDS & MDS by the team of Subject Experts in the speciality of Paedodontics and Preventive Dentistry - res.

Sir/Madam,

I am directed to state that the Executive Committee meeting of the DCI in its meeting held on 31.12.2019 noted that the Board of Governors in Supersession of Medical Council of India has formulated 'Competency Based Undergraduate Curriculum for the Indian Medical Graduates 2018'. The Executive Committee felt that the DCI shall also follow the same pattern and curriculae the undergraduate and post graduate dental curriculum in the competency based curriculum. The Competency based dental education will provide an effective outcome-based strategy where various domains of teaching including teaching learning methods and assessment form the framework of competencies.

The Executive Committee of the DCI in its meeting held on 28.01.2020 reviewed its earlier decision and after lengthy discussion decided to depute the following team of experts in the speciality of Paedodontics and Preventive Dentistry from the country, headed by the convener, to frame the Competency based undergraduate and post graduate curriculum:

Dr. M.S. Muthu (Convener)	Dr. Nikhil Marwah (Member)
Dr. Vijay Prakash Mazur (Member)	Dr. Latha Arandakrishnan (Member)
Dr. Sonali Saha (Member)	

Consequently, you are requested to download the existing UG & PG syllabus prescribed in 'DCI Revised BDS Course Regulations, 2007' and 'DCI MDS Course Regulations, 2017' from the DCI Website i.e. www.dciindia.gov.in, and to curate & finalize the undergraduate and post graduate dental curriculum in the competency based curriculum and furnish the compiled draft syllabus to this Council through the convener Dr. M.S. Muthu for furtherance in the matter.

Yours faithfully,

(Dr. Sabyasachi Saha)
Secretary,
Dental Council of India
