## **VISION AND MISSION OF MGUMST**

---

### **Vision of the University**

- To develop MGUMST as an Institution of Excellence, at par with Global standards, in the field of healthcare and allied sciences.
- To amalgamate our colleges, departments, students and alumni to impart world class research and education, aimed at making a positive difference in the healthcare at the national and global level.
- To achieve overall development of learners, including character and moral values, by imbibing a culture of inquisitiveness, inclusion, collaboration and innovation.
- To ensure equality amongst diversity in all respects, reflecting the true Gandhian principles, so that everyone gets a fair opportunity and the best of minds and talent may be recognised and allowed to flourish in the ever-changing competitive environment.

### **Mission of the University**

- To develop dynamic, self-dependent and world class Healthcare Institution dedicated in providing the best medical education and clinical treatment.
- To develop the best healthcare practices in the community, with a spectrum ranging from preventive health measures to excellence in tertiary care, with an aim to establish a healthy, disease-free society.
- To enrol students, staff and faculty in various clinical and non-clinical programs based on the principle of merit and impartiality, and without any discrimination of race, sex, non-disqualifying disability, caste, religion, and national or ethnic origin.
- To utilise the latest technology, as well as, to identify the best possible use of upcoming technology such as Artificial Intelligence to predict, prevent and treat various ailments and illnesses before they affect an individual or the community.

## **The Reflection of Vision and Mission of MGUMST in its Different Activities**

---

Mahatma Gandhi University of Medical Sciences and Technology, Jaipur - the first Private Medical University in Rajasthan was established in 2011 by State Assembly vide Act No. 22 of 2011 and approved by the UGC. India Education Trust founded in 1999 by renowned Gynecologist and IVF Specialist Dr. M.L. Swarankar is the Sponsoring Body of the University.

MGUMST aims to:

- To establish an Institute to provide training to create knowledgeable and skilled healthcare manpower.
- Continuously address the healthcare needs of the society and improve the well-being of the people by providing primary as well as advanced health care.
- Establish hospitals including tertiary referral centers, specialty and super-specialty clinics, maternity homes, and RCH centers.
- Establish, Develop and administer educational and research Institutions for Medical, Dental, Nursing and Allied Health Professionals.
- Promote and subsidize activities of other educational Institutions which are catering and improving public health at large.

The India Education Trust is the parent body of Mahatma Gandhi University of Medical Sciences and Technology, Jaipur.

In the year 1999, under the dynamic leadership of Dr. M. L. Swarankar, a renowned gynaecologist and specialist in IVF & Microsurgery, **India Education Trust (IET)** was established. IET was established as a Public charitable Trust with the aim to:

- Continuously improve the health status of people by providing primary as well as advanced health care.
- Establish hospitals including specialty and super-speciality clinics, dispensaries, maternity homes, and RCH centres.
- Develop and administer research and educational institutions including medical, dental, nursing and pharmacy.
- Develop health manpower by creating training centres for medical and allied health care professionals.
- Promote and subsidize activities of other educational institutions which are catering and improving public health at large.

**The constituent Institutions are as follows:**

1. Mahatma Gandhi Medical College & Hospital
2. Mahatma Gandhi Dental College & Hospital
3. Mahatma Gandhi Nursing College
4. Mahatma Gandhi Physiotherapy College
5. Mahatma Gandhi Occupational Therapy College
6. Mahatma Gandhi College of Hospital Administration
7. Mahatma Gandhi Institute of Health Informatics

**Realization of Aims & Objectives and Vision & Mission IET and MGUMST:**

With the above mentioned aims & objectives and vision and mission, India Education Trust (IET) started realizing its journey towards offering quality medical education to masses. As the founders of the trust are stalwarts from the field of medical science and technology, there was always scientific attitude and temperament towards realizing the dream in the form high quality medical education. In 2000, Mahatma Gandhi Medical College & Hospital, Jaipur was established. In 2001, Mahatma Gandhi Nursing School, Jaipur was founded. In 2003, Mahatma Gandhi Dental College & Hospital, Jaipur was set up. In 2005, Mahatma Gandhi Physiotherapy College, Jaipur was established. Mahatma Gandhi Cardiac and Critical Care Centre, Jaipur was started in 2012. Keeping in view, the dire need for medical facilities for the disease like cancer, **Sri Ram Cancer & Super speciality Centre, Jaipur** was established in 2019.

Since the inception of **Mahatma Gandhi University of Medical Sciences and Technology, Jaipur**, IET and MGUMST have been tirelessly striving for excellence in each field of medical education and technology, patient care, and advance research in medical fields. MGUMST is the pioneer in many initiatives. Some of them are as follows:

1. Heart Transplant
2. Liver Transplant
3. Kidney Transplant
4. Blood Group Incompatible Kidney Transplant
5. Bone marrow transplant

- MGUMST Blood Centre is among the few blood centres in India recognized by National Blood Transfusion Council for its services. It is the second blood centre in India having Hemo-vigilance Program and it is recognized by the National Institute of Biological (Govt. of India)
- MGUMST is the first and the biggest centre of telemedicine in Rajasthan working as the state nodal centre.
- First ICMR recognized RT-PCR (Covid Test) lab in the state of Rajasthan

### **Establishment of Sri Ram Cancer & Super speciality Centre, Jaipur:**

Looking to the dire need for better facilities to cancer patients in the state of Rajasthan, IET and MGUMST decided to establish Sri Ram Cancer & Super speciality Centre. It has proved a boon to the patients in the state. It not only provides great services to the patients and are headed by world renowned doctors.

Following are some of the features of the centre:

1. Only Cancer Centre in the state offering integrated Medical Oncology, Radiation Oncology, Surgical Oncology, Onco-plasty, Interventional Radiology, Onco-Pathology, Palliative Care and Nuclear and Nuclear Medicine facilities under one roof.
2. Only centre in the state offering DM in Medical Oncology and MCH and Surgical Oncology in addition to MD in Radiation Oncology.
3. Only centre in the state to have full time services of medical oncologists, paediatric oncologist, clinical haematologist, & palliative care physicians in addition to radiation oncology and surgical oncology.
4. Only centre in the state to have more than 20 dedicated full time super-specialists for cancer care (medical oncologists: 05, clinical hematologist: 01, pediatric oncologist: 01, radiation oncologists: 04, surgical oncologists: 04, onco-plasty plastic surgeon: 01, palliative care physicians: 02, nuclear medicine physicians: 03 and onco-pathologists: 03).
5. Only centre in the state offering, under one roof, other ancillary super-speciality services, as and when required for the cancer patients like – cardiology & cardiothoracic surgery; neurology & neurosurgery; nephrology & urology; gastro-enterology & GI services.
6. Only centre in the state that regularly conducts PET guided biopsies for cancer patients.
7. Only centre in the state scheduled to start a 12 bed Stem Cell (Bone Marrow) Transplant unit.

**Areas under which IET and MGUMST realize their Vision and Mission:**

Besides the areas mentioned above, IET and MGUMST have been significantly realizing its vision and mission in the following areas:

- Educational services at UG, PG, Post PG, Ph.D and fellowship levels.
- State-of-Art infrastructure for best teaching-learning process
- Quality accreditation like NABL, NABH, ISO, etc.
- Effective social health care programmes
- Effective patient care services through MGUMST hospital
- Initiatives under foreign student exchange programs
