## Skill Acquisition

A fully equipped state of the art Skill Lab with seven simulation rooms with complete Information Communication Technology (ICT) facilities like Projector, screen, computer with CPU, etc. is utilized to impart practical knowledge to the students in various subjects. Skill Lab is equipped with high fidelity, medium fidelity, low fidelity mannequins and many more simulators (Laerdal), which helps the students in good practical learning. High end product camera with audio /visual facility is also installed for Lecture (Demonstration) capture and broad casting. There are separate briefing and debriefing area with LCD projector.
