# BAN ON USE OF PLASTICS

MAHATMA GANDHI UNIVERSITY  
 MEDICAL SCIENCES & TECHNOLOGY  
 JAIPUR

No./MGUPST/President/2021/4798

January 01, 2021

## GREEN CAMPUS INITIATIVE (Ban on single use plastic)

Most of our plastic ends up in land-fills, oceans and water ways and the environment. Plastics do not biodegrade. Instead they slowly breakdown in the smaller pieces which contaminate our soil and water. Efforts to reduce our dependence on single use plastics is the only solution. Ban on the use of non-recycled plastic bottles, plastic straws, carry bags, food wrapping plastic films is the need of the hour.

Keeping in view the above and Green Campus Initiative, all the faculty members, staff, PG residents, students and all the persons residing in the campus should restrict the use of "Single Use Plastics" in side the campus. All the vendors, shop keepers and canteen in-charges in the campus must immediately stop the use of single use plastics in the University premises.

Strict ban on single use plastics - water bottles, carry bags, food packings etc. has to be ensured by all concerned. If any noncompliance is seen in this regard and anyone found selling, bringing or possessing any of "Single Use Plastic" article/material in the University premises, it will be considered as violation of these instructions and appropriate action will be taken against the agency and/or the person concerned.

*Dr G.N. Saxena*
